News from our members

Congratulations to Dr Elizabeth Trimble, CBE

Dr Elizabeth Trimble received a CBE (Commander of the Order of the British Empire) in the United Kingdom New Year's Honours. This is one of the highest honours in the country and was awarded to Dr Trimble for services to pathology. Dr Trimble is a longstanding member of the EASD and has served as Deputy Editor-in-Chief of *Diabetologia*. She is currently Professor of Clinical Biochemistry at Queen's University of Belfast, Northern Ireland.
