Unfortunately, the median values and interquartile ranges for duration of diabetes in Table 1 were incorrect in this paper. The median value (interquartile range) in years should have read 1.0

(0.2–1.6) for those with type 1 diabetes, 1.0 (0.5–2.3) for those with LADA and 1.0 (0.3–1.6) for those with type 2 diabetes.

The authors regret that the second initial for W. A. Scherbaum was omitted in the author list, and that the affiliation for S. Hunter was incorrect. The details given in this erratum are correct.
