Correction to: Mineralium Deposita

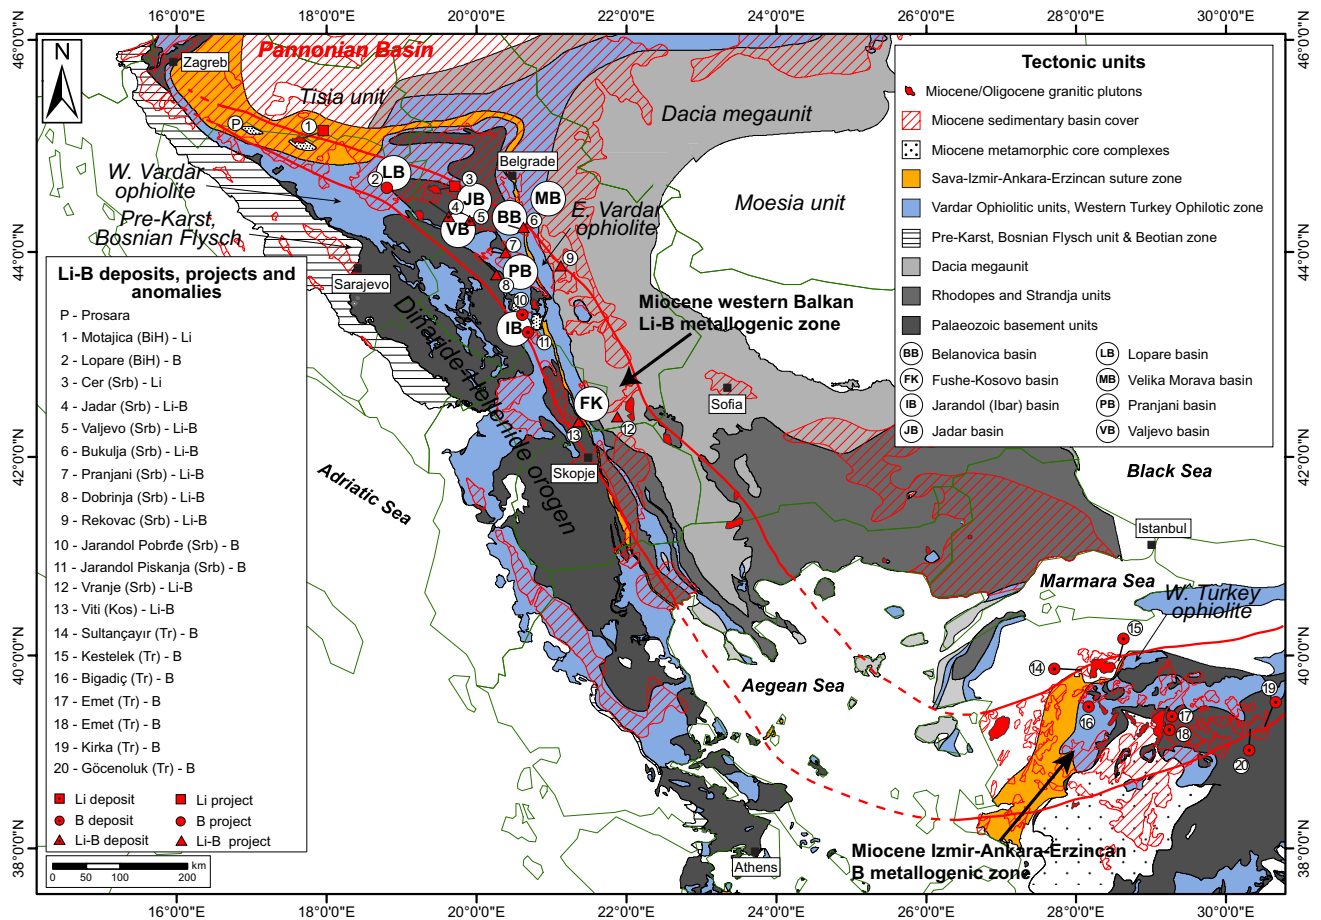

<https://doi.org/10.1007/s00126-022-01151-x>

The original article contained a mistake: Figure 1 has wrong coordinates. It seems that the problem took place when expressing the coordinate grid of the presented map in decimal degrees, rather than in meters. Geographical longitudes are also very slightly off. The original Figure 1 has now been corrected.
