Correction to: Research in Engineering Design
<https://doi.org/10.1007/s00163-018-0299-2>

Author would like to make corrections in the original publication. Author would like to add a reference to the part 4.3.1 (page 11, in the middle of line 12). The stimuli based on the technical trends of evolution were five stimuli that three of them were ready as TRIZ material course (Souchkov 2017) and two others were prepared by authors.

The reference to the added citation is:

Souchkov V (2017) Training course handbook on TRIZ training for technology and engineering. ICG Training & Consulting, Enschede, p 284.
