Erratum to: Knee Surg Sports Traumatol Arthrosc
DOI 10.1007/s00167-006-0203-x

Unfortunately, the first sentence in the “Methods” section had been given incorrectly. It should read as follows:

Between April 1999 and February 2002, 30 consecutive patients with idiopathic adhesive capsulitis were **treated arthroscopically and then** evaluated prospectively by one observer.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00167-006-0203-x>.
