Dr. Reha N. Tandogan is new Associate Editor of KSSTA, effective July 1, 2018. He will mainly be responsible for manuscripts related to Total and Uni-knee Arthroplasties, Osteotomies and Osteoarthritis in general.

Dr. Tandogan graduated from Hacettepe University Medical School in 1985 with honours. He underwent specialty training at the Hacettepe University Medical School, Department of Orthopaedics and Traumatology, in Ankara, Turkey.

He worked as an assistant to the late Dr. Gerard Bascoulergue in the Arthroscopy and Sports Traumatology Clinic of Institut Calot (Berck, France) for a year. He then trained with the late Prof. Robert W. Jackson, Baylor University, Dallas, Texas. He became an associate professor in 1995 and moved to Department of Orthopaedics and Traumatology, Baskent University. He was appointed chairman of the department in 1998 and also undertook the duties of the chairman of the Sport Sciences department in 2001. He was appointed full professor in 2001. Baskent University was recognized as an ISAKOS Approved Teaching Center and has hosted several international fellows during his chairmanship. He went on to private practice and is currently a senior member of Cankaya Orthopaedics, a 14-surgeon group specializing in arthroscopic surgery and arthroplasty.

Dr. Tandogan was awarded the International Arthroscopy Association Linvatec Award in 1995 and has been a member of ISAKOS since its inception. He has been an ESSKA member since 1996. He served three terms on the executive board of the Turkish Society of Sports Traumatology, Arthroscopy and Knee Surgery, and is currently the Chair of the Arthroplasty Committee. He has organized numerous arthroscopy and arthroplasty courses; he also designed and developed several models for hands-on arthroscopic training. He was the President of the 11th Turkish Sports Traumatology Arthroscopy and Knee Surgery Congress with international participation that took place in Ankara in 2012. He also served as president of the Turkish Society of Sports Traumatology for two terms, organizing several cadaver courses, symposia and editing two books.

In 2015, Dr. Tandogan was elected as a board member of European Knee Associates (EKA); a section of ESSKA, focusing on the treatment and education of degenerative knee disorders, knee arthroplasty and joint preservation surgery. He is currently heading the tibial component rotation focus group.

He is the author of one English and eight Turkish books on Knee Surgery and Sports Traumatology. He has lectured extensively and published 133 scientific articles (67 in international journals) and has an H-index of 23. His
