Erratum to: Int J Adv Manuf Technol
DOI 10.1007/s00170-009-2483-z

In the complete Text, “descendent” should read “descendant”.

Unfortunately, an error occurred in the second paragraph after Fig. 1. The correct phrase is given below.

Through the exploration of the search-tree, the lower bounds become tighter, and the module controls the differences between the lower bound of the root and the cost of any partial schedule generated in the search-tree.

Also, an error occurred in Fig. 2 Step 10.

The corrected Fig. 2 Step 10 is given below.

Step10) if $h(x) < h(x') + k_{xx'}$ then do Steps 11 through 14, otherwise go to Step 15.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00170-009-2483-z>.
