## Correction to: Int J Adv Manuf Technol

<https://doi.org/10.1007/s00170-020-06371-x>

The original version of this article, unfortunately contained errors about funding and affiliation. The following is the list of errors and their correct presentation.

### Affiliation:

<sup>1</sup>Key Laboratory of High Efficiency and Clean Mechanical Manufacture, Ministry of Education, School of Mechanical Engineering, Shandong University, P.R. China.

<sup>2</sup>College of Mechanical and Electrical Engineering, Nanjing University of Aeronautics and Astronautics, Nanjing, 210016, China.

<sup>3</sup>Faculty of Mechanical Engineering, GIK Institute of Engineering Sciences & Technology, Topi 23460, Pakistan

<sup>4</sup>Industrial Engineering Department, College of Engineering, King Saud University, Riyadh-11421, Saudi Arabia

<sup>5</sup>Raytheon Chair for Systems Engineering (RCSE), Advanced Manufacturing Institute, King Saud University, Riyadh-11421, Saudi Arabia

### Funding:

The authors are grateful to the Raytheon Chair for Systems Engineering (RCSE) for funding.

### Acknowledgment:

The authors are grateful to the Raytheon Chair for Systems Engineering (RCSE) for funding. The authors are also thankful to Nanjing University of Aeronautics & Astronautics, PR China, and the GIK Institute, Pakistan for technical assistance and resources provision. The authors would like to acknowledge the efforts made by Dr. Munish Kumar Gupta and Mr. Mozammel Mia for their valuable suggestion to improve the manuscript.

**Publisher's note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
