Correction to: The International Journal of Advanced Manufacturing Technology
<https://doi.org/10.1007/s00170-021-06710-6>

The original article contained a mistake.

The correct bibliographic data for Reference 33 are:

Psyllaki P, Kefalonikas G, Pantazopoulos G, Antoniou S, Sideris J (2003) Microstructure and tribological behaviour of liquid nitrocarburised tool steels. *Surf Coat Technol.* 162(1):67–78. [https://doi.org/10.1016/S0257-8972\(02\)00566-2](https://doi.org/10.1016/S0257-8972(02)00566-2)

Instead of:

Psyllaki P, Kefalonikas G, Pantazopoulos G, Antoniou S, Sideris J (2002) Microstructure and tribological behaviour of liquid nitrocarburised tool steels. Surf Coat Technol:67–78.

The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s00170-021-06710-6>
