Correction to: Int J Adv Manuf Technol.

<https://doi.org/10.1007/s00170-021-06881-2>

Two errors are present in eqs. (5) and (7). Please replace: equation

$$\frac{\partial(C)}{\partial t} + \nabla \cdot (UC) + \frac{\partial \sigma}{\partial t} = 0 \quad (5)$$

by the following equation

$$\frac{\partial(\varepsilon C)}{\partial t} + \nabla \cdot (UC) + \frac{\partial \sigma}{\partial t} = 0 \quad (5)$$

and equation

$$\alpha = \alpha_0 \left[\left(\frac{K}{K_0} \right)^{-\frac{1}{2}} \cdot \left(\frac{K}{K_0} \right)^{\frac{3}{2}} \right]^{a1} \quad (7)$$

by the following equation

$$\alpha = \alpha_0 \left[\left(\frac{K}{K_0} \right)^{-\frac{1}{2}} \cdot \left(\frac{\varepsilon}{\varepsilon_0} \right)^{\frac{3}{2}} \cdot \left(\frac{1-\varepsilon}{1-\varepsilon_0} \right)^{-1} \right]^{a1} \quad (7)$$

The original article has been corrected.
