Correction to: *The International Journal of Advanced Manufacturing Technology*  
<https://doi.org/10.1007/s00170-023-12215-1>

The original version of this article unfortunately contained a mistake on the Figures' labels order from Fig. 7. The correct labels are:

**Fig. 7** Fx force results.

**Fig. 8** Fy force results.

**Fig. 9** Forces results for lower feed rate and higher tool diameter with emphasis on one edge of the tool not effectively cutting the material.

**Fig. 10** Tool run-out measurement for both tools.

**Fig. 11** Surface roughness results.

**Fig. 12** Main effect plot for Sa.

**Fig. 13** Burr formation results

**Fig. 13** was not included in the article, please find it below:

The original article can be found online at <https://doi.org/10.1007/s00170-023-12215-1>.
