

Acknowledgement to reviewers for 2019

Published online: 3 February 2020
© Springer-Verlag GmbH Germany, part of Springer Nature 2020

The quality of any scientific journal depends to a large extent upon the voluntary work done by reviewers. This important work is usually done in anonymity. Considering the time and effort that is put into reviewing, the Editorial Board of the *Journal of Geodesy* acknowledges this by publishing a list of reviewers. The list below gives the names of all known reviewers of accepted and rejected manuscripts in 2019. We thank you all.

Claudio Abbondanza
Susheel Adusumilli
Amotz Agnon
Jonas Agren
Orhan Akyilmaz
