### Correction to: Osteoporosis International (2017)

<https://doi.org/10.1007/s00198-017-4346-z>

Please find below the correction for the paragraph under the Heading “Materials and methods – Regulatory approval”:

The study was approved by the Scientific and Ethical Advisory Group from the Clinical Practice Research

Database (CPRD; reference protocol 17\_172\_25) (previously known as the General Practice Research Database) and the ethics review board of the McGill University Health Centre.
