Recently, we contributed a commentary to the Archives of Toxicology (Portier and Clausning 2017).

We would like to add the following conflict of interest statement:

1. Christopher J. Portier is a consultant to law firms involved in glyphosate litigation in the United States.
2. Peter Clausning is a member of the executive board (without remuneration) of the Pesticide Action Network Germany, an NGO working to protect humanity and the environment from pesticides and to promote alternatives.
