Since the original publication of our review entitled “Toxicology data of graphene-family nanomaterials: an update”, the authors have realized that there were some mistakes. In “Acknowledgements” section of page 1932, “This work was supported by the National Natural Science Foundation ..., and the Science research cultivation program of stomatological hospital, Southern medical university (Grant No. FY2019006).” should be “This work was supported by the National Natural Science Foundation ..., and the Science research cultivation program of stomatological hospital, Southern medical university (Grant No. PY2019006)”.

This error happened because of the careless editing process. The authors sincerely apologize to the editors and readers for any inconvenience or confusion.
