Publisher Correction to: A Paradiifferential Approach for Well-Posedness of the Muskat Problem

HUY Q. NGUYEN & BENOÎT PAUSADER

Correction to: Arch. Rational Mech. Anal.

<https://doi.org/10.1007/s00205-020-01494-7>

Due to typesetting mistakes, several errors have been introduced.

In section 1.3, first paragraph, last line, the last sentence should read: “We also refer to [26, 27, 34, 42] for results on maximum principle and stability.”

In Appendix A, last equation, last two lines, the factor h should have been deleted.

At the beginning of heading 4.2.2 “A priori” should have been deleted.

The original article has been corrected.
