Correction to: Naunyn-Schmiedeberg's Archives of Pharmacology
<https://doi.org/10.1007/s00210-021-02117-y>

The original version of this article unfortunately contains mistakes.

Figure 4 is missing from the proof and the image used for Figure 3 in the published version was supposed to be the Figure 4 image. Below are the correct images.

This is being corrected in this publication.

Fig. 3 Effects of tyrosol on the inflammation score of pulmonary tissues. P:0.000 Data are expressed as mean ± SEM. Different superscript letters (a, b, c) within the same column show statistically significant differences between the groups. (DEX: Dexamethasone)

Fig. 4 Effects of tyrosol on the Mucus Production Scores (MPS) of pulmonary tissues. P:0.000 Data are expressed as mean ± SEM. Different superscript letters (a, b, c) within the same column show statistically significant differences between the groups.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The original article can be found online at <https://doi.org/10.1007/s00210-021-02117-y>.
