Correction to: Naunyn-Schmiedeberg's Archives of Pharmacology
<https://doi.org/10.1007/s00210-021-02168-1>

The online version of the paper has a typo and the first author's name suffix has been missed.

The correct form of the phrase $2^{-\Delta\Delta C_t}$ on page 6 is $2^{-\Delta\Delta C_T}$ (Livak and Schmittgen 2001).

The full name of the first author, **Mahsa Moeini**, along with its suffix is **Mahsa Moeini Chaghervand**.
