**Erratum to: Psychopharmacology**  
DOI 10.1007/s00213-014-3533-2

The original version of this article inadvertently contained a mistake. Figure 4 was corrupted in the original publication of this paper. Here is a corrected and updated version of this figure.

**Fig. 4** **a** Lassen plot as extended by Cunningham. Difference between the  $V_T$  of control and treated groups was plotted versus  $V_T$  of control group. The *dots* represent individual brain regions, **b** receptor occupancy plotted against log donepezil dose to obtain  $\text{ED}_{50}$

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00213-014-3533-2>.
