**Erratum to: Pshychopharmacology 232: 3947–3966**  
**DOI 10.1007/s00213-015-4081-0**

The original version of the above article contained a mistake in the equation found in page 3953. Correct equation should be:

$$c = -\frac{z(\text{HR}) + z(\text{FAR})}{2} \quad \text{Responsivity index (RI)} = \frac{\text{HR} + \text{FAR} - 1}{1 - (\text{HR} - \text{FAR})^2}$$

---

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00213-015-4081-0>.
