Correction to: Psychopharmacology

<https://doi.org/10.1007/s00213-018-4881-0>

The authors would like to change the statement found in the results section of the abstract from "There were five reported deaths from neutropenia and cardiomyopathy." to "There were five, 13, and two reported deaths from neutropenia, myocarditis, and cardiomyopathy, respectively."

The online version of the original article can be found at <https://doi.org/10.1007/s00213-018-4881-0>
