Correction to: Psychopharmacology.

<https://doi.org/10.1007/s00213-019-05432-8>

After publication of this paper, the authors discovered that the name of the first author, Isaac Adegboyega Adedara, was missing in the proof. Dr. Adedara's intellectual contributions to the present article include conception and design of the study, manuscript writing and approval of the final version of the manuscript. Indeed, he submitted and revised the manuscript.

The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s00213-019-05432-8>
