In the acknowledgements of the original publication the authors unfortunately failed to mention one body providing funding for this work. The complete acknowledgements read:

### Acknowledgments

Open access funding provided by University of Natural Resources and Life Sciences Vienna (BOKU). This study was funded by the Austrian Science Fund (FWF): P23861-B16 (TWB) and P27571-BBL (JS). Additional funding was provided by the province of Lower Austria, which co-funds project P27571-BBL. Melanie Diesner is acknowledged for the support of the laboratory work, Christoph Hofer and Andreas Kreuzeder are acknowledged for their expert advice on the DGT technique.
