Correction to: Anal Bioanal Chem

<https://doi.org/10.1007/s00216-019-01855-6>

The reviewer would like to call the reader's attention to the fact that due to a typing error there was a mistake in the description of chapter 5 in the section "Contents". The correct text is:

"Chapter 5 illustrates quality by design (QbD) approaches to LC method development, with a critical review of the current and emerging statistical methods, based on semi-empirical and fully empirical models".

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
