Correction to: *Analytical and Bioanalytical Chemistry*
<https://doi.org/10.1007/s00216-020-03101-w>

Unfortunately, during production the typesetter wrongly captured the manuscript as ESM file, therefore it has been mistakenly published instead of the supplementary information. This error has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
