Correction to: *Analytical and Bioanalytical Chemistry* (2020) 412:5637–5646
<https://doi.org/10.1007/s00216-020-02781-8>

The article Method development for on-line species-specific sulfur isotopic analysis by means of capillary electrophoresis/multicollector ICP-mass spectrometry, written by Sebastian Faßbender, Katerina Rodiouchkina, Frank Vanhaecke and Björn Meermann, was originally published Online First without Open Access. After publication in volume 412, issue 23, page 5637–5646 the author decided to opt for Open Choice and to make the article an Open Access publication. Therefore, the copyright of the article has been changed to ©The Author(s) 2021 and the article is forthwith distributed under the terms of the Creative Commons Attribution 4.0 International License, which permits use, sharing, adaptation, distribution and reproduction in any medium or format, as long as you give appropriate credit to the original author(s) and the source, provide a link to the Creative Commons licence, and indicate if changes were made.
