Correction to: Analytical and Bioanalytical Chemistry
<https://doi.org/10.1007/s00216-021-03422-4>

The authors would like to call the reader's attention to the fact that, unfortunately, there were two errors regarding Fig. 2 and Fig. 4.

(b) and (e) of Fig. 2 did not match the Al_2O_3 content and P content, but repeated the content of (c) and (i). The longitudinal coordinate axis in Fig. 4 (b), (c), (d) should be labeled as ' $\omega(\text{CaO}+\text{MgO})/\omega(\text{SiO}_2+\text{Al}_2\text{O}_3)$ ', instead of ' $\omega(\text{CaO}+\text{Mg})/\omega(\text{SiO}_2+\text{Al}_2\text{O}_3)$ '. Thus, Fig. 2 and Fig. 4 have been replaced with the corrected version shown below. These corrections have no effect on any other results published in the article, and do not affect the discussion or any of the published conclusions.
