<https://doi.org/10.1007/s00220-019-03312-y>

The article Ising Model: Local Spin Correlations and Conformal Invariance, written by Reza Gheissari, Clément Hongler, S. C. Park, was originally published electronically on the publisher's Internet portal (currently SpringerLink) on 14 February 2019 without open access.

With the author(s)' decision to opt for open choice the copyright of the article changed on 21 March 2019 to © The Author(s) 2019 and the article is forthwith distributed under the terms of the Creative Commons Attribution 4.0 International License (<http://creativecommons.org/licenses/by/4.0/>), which permits use, duplication, adaptation, distribution and reproduction in any medium or format, as long as you give appropriate credit to the original author(s) and the source, provide a link to the Creative Commons license and indicate whether changes were made.

The original article has been corrected.

Open Access This article is distributed under the terms of the Creative Commons Attribution 4.0 International License (<http://creativecommons.org/licenses/by/4.0/>), which permits unrestricted use, distribution, and reproduction in any medium, provided you give appropriate credit to the original author(s) and the source, provide a link to the Creative Commons license, and indicate if changes were made.
