The article [Non-local Markovian Symmetric Forms on Infinite Dimensional Spaces I. The closability and quasi-regularity], written by [Sergio Albeverio, Toshinao Kagawa, Yumi Yahagi, Minoru W. Yoshida], was originally published Online First without Open Access. After publication in volume [387], issue [1] the author decided to opt for Open Choice and to make the article an Open Access publication. Therefore, the copyright of the article has been changed to © [The Author(s)] [2021] and this article is licensed under a Creative Commons Attribution 4.0 International License, which permits use, sharing, adaptation, distribution and reproduction in any medium or format, as long as you give appropriate credit to the original author(s) and the source, provide a link to the Creative Commons licence, and indicate if changes were made. The images or other third party material in this article are included in the article's Creative Commons licence, unless indicated otherwise in a credit line to the material.
