Unfortunately, in the Appendix section, formula 4, the contents of the Y array was published incorrect. The formula should read as follows:

$$\mathbf{M} = \begin{bmatrix} \sin(\theta_1) & \cos(\theta_1) & 1 \\ \sin(\theta_2) & \cos(\theta_2) & 1 \\ \sin(\theta_3) & \cos(\theta_3) & 1 \\ \vdots & \vdots & \vdots \\ \sin(\theta_n) & \cos(\theta_n) & 1 \end{bmatrix} \quad \mathbf{x} = \begin{bmatrix} A \\ B \\ C \end{bmatrix} \quad \mathbf{Y} = \frac{nf}{nc} \begin{bmatrix} Y_1 \\ Y_2 \\ Y_3 \\ \vdots \\ Y_n \end{bmatrix} \quad (4)$$
