Correction to: European Journal of Clinical Pharmacology
<https://doi.org/10.1007/s00228-020-03022-8>

Due to an error during production, some in-text and most of the bibliography list citations were not correctly displayed in the original previous online version of the article and have now been corrected.

The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s00228-020-03022-8>
