Correction to: Heat Mass Transfer

<https://doi.org/10.1007/s00231-020-02826-9>

The article Experimental assessment of Al₂O₃ and Cu nanofluids on the performance and heat leak of double pipe heat exchanger, written by Esam I. Jassim & Faizan Ahmed, was originally published electronically on the publisher's internet portal (currently SpringerLink) on 16 January 2020 with open access. With the author(s)' decision to step back from Open Choice, the copyright of the article changed on 2 March 2020 to © Springer-Verlag GmbH Germany, part of Springer Nature 2020 and the article is forthwith distributed under the terms of copyright.

The original article has been corrected.

Publisher's note Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.

The online version of the original article can be found at <https://doi.org/10.1007/s00231-020-02826-9>
