ESNR offered a series of free weekly online lectures every week from April 22<sup>nd</sup> to September 30<sup>th</sup>, given by some of the top speakers in the field of Neuroradiology. The lectures had an average of 1000 participants attending every week. ESNR members can view the recordings of the lectures on our website: <https://www.esnr.org/en/esnr-web-lectures/> ESNR thanks all the faculty members for their contribution and all the participants for their attendance.

We are happy to announce the 1<sup>st</sup> Module of the 1<sup>st</sup> Cycle of the brand-new European Course in Head & Neck Neuroradiology. This live online course will be November 4-6 and comprises 30 lectures and 12 workshops. It is part of a 2-module course that will lead to a European Diploma in Head & Neck Neuroradiology for those that pass all exams. Due to Covid-19 pandemic and current travel restrictions, we regret to inform you that the course will not be held as a physical meeting, but we are happy to inform you that the course will proceed as a **live online course** on November 4-6, 2020. Program and registration are online. To support the ESNR members, we have prepared some very attractive registration rates.

For information on dates and postponement of all other courses please visit our website [www.esnr.org](http://www.esnr.org)
