### Correction to: Neuroradiology (2021

<https://doi.org/10.1007/s00234-021-02746-3>

“-Technical” should not appear in 11 text subheadings and has been removed to the start of the proceeding paragraphs.

The original article has been corrected.

**Publisher's note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
