<https://doi.org/10.1007/s00253-021-11725-w>

In the published version, figure legend of adapted figure 3 is not correct.

The correct Figure legend is:

Fig 3. Possible mechanism of action of the capped AgNPs against *S. sclerotiorum*. **a** Degradation of cell wall by hydrolytic enzymes secreted by *T. harzianum*; **b** membrane disruption and oxidative stress caused by AgNPs; **c** synergistic effect of the biogenic AgNPs and the capping hydrolytic enzymes against *S. sclerotiorum*. Adapted from Guilger-Casagrande et al. (2021) under the
