After publication of this article we received a request from Dr. Jong Kyun Lee to have his name removed from the author list as he felt he did not fully meet the authorship criteria. The original version of this article was inadvertently published with an incorrect inclusion period of study. These have now been amended with the corrected author list and inclusion period of study (January 2012 to December 2014). This correction does not affect any of the content of the article.

The online version of the original article can be found at <https://doi.org/10.1007/s00259-020-04698-x>
