ESUR 2003: 10th European Symposium on Urogenital Radiology. Uppsala, Sweden, September 4–7, 2003. The main topic of the Xth European Symposium on Urogenital Radiology is female imaging. A lot is going on within this field, such as embolization of the uterus and MRI of the pelvic floor. Friday, the second day, we focus on this field. At the urological session of the program we dedicate a major part to the collaboration between the urologist and the radiologist, for instance concerning endourology. Radiologists with an interest for urogenital radiology and interested gynecologists and urologists are encouraged to attend. Organizing Secretariat: Uppsala Kongress & Konferens AB, Dragarbrunnsgatan 35, SE-753 20 Uppsala, Sweden. Email: congress@ukkab.se; www.ukkab.se. Scientific Secretariat: Email kjerstin.adel@rtg.uas.lul.se. Scientific papers and posters deadline for abstract submission: March 15, 2003. Abstract submission through the ESUR website www.esur.org.
