The original version of the article has a missing citation referring to the review method. The missing reference should be added after the fourth sentence in the Methods section as: Smol M et al. (2020) Circular economy model framework in the European water and wastewater sector. *J Mater Cycles Waste Manag.* 22, 682–697. <https://doi.org/10.1007/s10163-019-00960-z>.

Moreover, from the acknowledgements section the authors would like to remove the incorrect information about the financial support of this study under the project: “Monitoring of water and sewage management in the context of the implementation of the circular economy assumptions” (MonGOS), No. PPI/APM/2019/1/00015/U/00001/ZU/00002

(2020-2021), which is financed by the Polish National Agency for Academic Exchange (NAWA) under the International Academic Partnerships Programme. The rest of the acknowledgements section remains without changes.
