Correction to: Environmental Management (2021) 68:491–504
<https://doi.org/10.1007/s00267-021-01521-7>

The original version of this article unfortunately contained a mistake. In this article, the citation information was incorrectly given as “In general, these latter studies were carried out in shallow and very shallow lakes (e.g., Jones

and Bachmann 1976; Seip et al. 2000), where light limitation is less likely.” but it should have been “In general, these latter studies were carried out in shallow and very shallow lakes (e.g., sub datasets from Phillips et al. 2008, Seip et al. 2000), where light limitation is less likely.” The reference citation has now been corrected.

The original article has been corrected.

The original article can be found online at <https://doi.org/10.1007/s00267-021-01521-7>.
