Following are corrections to this abstract supplement:

In Abstract 10 the Materials and Methods section is incorrect. Following is the corrected text:

Military conflicts are analyzed, in which the Russian Armed Forces participated: the war in Afghanistan (1979–1998), the conflicts in the North Caucasus (1994–1996 and 1999–2002) and South Ossetia (August

2008). Based on the experience gained, the reform of the medical service and reduction was carried out.

Abstract 30 should be disregarded. It is a duplicate abstract and the title does not correspond to the content.

There is a misspelling in the affiliation in Abstract 86. The correct affiliation is Azerbaijan Republic State Border Service Military Hospital.
