## Preexistence and evolution of imatinib mesylate-resistant clones in chronic myelogenous leukemia detected by a PNA-based PCR clamping technique

Published online: 21 June 2003  
© Springer-Verlag 2003

---

### Ann Hematol (2003) 82:284–289

Mention was inadvertently not made that all of the first three authors contributed equally to this paper. They should all be seen equally as its “first author”.
