

# $\pi$ Newly Calculated: for Li Lan

*Yuan Changming*

If my love is the circle's circumference  
And your life is the diameter, then  
My missing you is  $\pi$   
Which starts with the whole number  
3, including every day  
Every night, & every minute  
Between day and night

After the separating (decimal) point, it is  
As indefinite as the neural network of the universe
