**Erratum to: Curr Microbiol**  
**DOI 10.1007/s00284-014-0565-0**

The original version of this article unfortunately contained a mistake. The etymology of species name was incorrect based on The International Code of Nomenclature of Prokaryotes. The correct epithet is *thaonhiae* (*tha.o.nhi'ae*, N.L. gen. fem. n. *thaonhiae* ...) as given here.

---
