ECG-gated chest CT angiography with 64-MDCT and tri-phasic IV contrast administration regimen in patients with acute non-specific chest pain

Published online: 16 October 2007
© European Society of Radiology 2007

Please note that there is a spelling in-accuracy of the first author's last name. The correct spelling is Litmanovich not Litmanovitch.

The online version of the original article can be found at <http://dx.doi.org/10.1007/s00330-007-0739-2>.
