Unfortunately, an error has been introduced into the original publication during preparation of the printed version after proof reading by the authors.

In “Statistical analysis”, the correct sentence must read:

Thus, the following functional dependence of the growth rate was analysed:  $(\text{trans}V_1 - \text{trans}V_0)/(t_1 - t_0) = \beta_0 + \beta_1 \times \text{trans}V_0 + \beta_2 \times \text{statin dosage equivalent}$ .
