

Construction of a large-insert yeast artificial chromosome library of the rat genome

M.L. Haldi, P. Lim, K. Kaphingst, U. Akella, J. Whang, E.S. Lander

Mammalian Genome, 8, 284 (1997)

Our article reporting the construction of the first YAC library of the rat genome inadvertently omitted the acknowledgment of the sponsors. The reported work was supported by the Rat Genome initiative of the National Institutes of Health led by the National Heart, Lung and Blood Institute, together with ten other National Institutes of Health Institutes and the Office of the Director (Grant No. RO1 HL55726).
