## Correction to: Coral Reefs

<https://doi.org/10.1007/s00338-021-02078-x>

This correction is published as the electronic supplementary material was incorrectly published.

Out of 13 Supplemental materials, 9 were correctly available (6 figures and 3 tables), 4 were missing.

Figure legends of the Supplemental Figures (Fig. S1 to S6) also did not appear in the text.

Original article has thus been updated.
