CORRECTION

Correction to: Investigation of electronic environments and electrical characterization of functionalised AgNPs synthesized by electroless process

Correction to: Applied Physics A (2019) 125:565
<https://doi.org/10.1007/s00339-019-2864-6>

The author recently found a mistake in the abstract of his published paper.

The line:

“The area ratios for the two spin–orbit peaks for $I_{Ag(2p_{3/2})}/I_{Ag(2p_{1/2})}$ and $I_{Ag(3d_{5/2})}/I_{Ag(3d_{3/2})}$ are varied increasing from 1.95 to 1.54 and 1.92 to 2.8, respectively, indicated modified coordination of AgNPs with $AgNO_3$ concentrations.”

Should be changed to:

“The area ratios for the two spin–orbit peaks for $I_{Ag(2p_{3/2})}/I_{Ag(2p_{1/2})}$ and $I_{Ag(3d_{5/2})}/I_{Ag(3d_{3/2})}$ are varied from 1.95 to 1.54 and 1.92 to 2.8, respectively, indicated modified coordination of AgNPs with $AgNO_3$ concentrations.”

The original article has been corrected.

We apologize for this mistake.
