Correction to: Applied Physics A (2021) 127:302
<https://doi.org/10.1007/s00339-021-04455-3>

In the original article the absorptivity A is missing before the fraction in Eq. (10).

The correct representation of Eq. (10) is:

$$\eta_{abs,n-1} = A \frac{1 + (1 - A) \left(\sigma_{n-1} - \frac{\Omega_{n-1}}{2\pi} \right)}{A \cdot (1 - \sigma_{n-1}) + \sigma_{n-1}},$$

As the results and diagrams in the paper were calculated with the correct equation, the rest of the paper is not affected by this correction.
