Correction to: Geo-Marine Letters

<https://doi.org/10.1007/s00367-019-00574-2>

The original version of this article unfortunately contained a mistake.

The presentation of Fig. 1 was incorrect – the rectangle that delimited the study area and the North symbol. The corrected figure is given below.

The original article has been corrected.

The online version of the original article can be found at <https://doi.org/10.1007/s00367-019-00574-2>
